Erratum

The following error in the *Overnight in Debert* Foundational Document has come to the attention of Commission Counsel:

1. Paragraph 14 – Video Citation

In paragraph 14, the COMM number in the citation for the surveillance video from Angelina Pizzeria at 11:08 p.m. contained a typographical error. Instead of “COMM0010031”, the citation should read: “COMM0010029”.
