NOTE: This document is based on an analysis of materials available to the Mass Casualty Commission **as of July 5, 2022**. **Further production and investigation are ongoing.** In addition, foundational documents should be read and understood in light of, and in conjunction with, hearing testimony received by the Commission.

The *RCMP Public Communications, April 18-19, 2020* Foundational Document was exhibited on June 7, 2022, in the Mass Casualty Commission's public proceedings.

Addendum

The following documents will be tendered into evidence to supplement the existing record with respect to the events and information described in the *RCMP Public Communications, April 18-19, 2020* Foundational Document:

1. [Mass Casualty Commission interview of Regis Dudley: COMM0058793](#)

On May 19, 2022, the Mass Casualty Commission interviewed Regis Dudley in relation to the events of April 19, 2020. The transcript of this interview (COMM0058793) will be tendered into evidence.

2. [Handwritten notes of Supt. A. Thompson: COMM0059209](#)

The RCMP provided the Mass Casualty Commission with the handwritten notes of Supt. Archie Thompson. These notes (COMM0059209) will be tendered into evidence.

Erratum

The following errors in the *RCMP Public Communications, April 18-19, 2020* Foundational Document have come to the attention of Commission Counsel:

1. Paragraphs 38 to 40 – Donna Lee Williston

In paragraphs 38 to 40, Donna Lee Williston's name is erroneously spelled Donnalee Williston.

2. Paragraph 95 – Email cc

Paragraph 95 states that Cpl. Jennifer Clarke "sent an email to Lia Scanlan, copying Regis Dudley, with the subject line 'APPROVED by Steve Halliday: Tweet for approval – immediate pls: 22B11 description.'" (COMM0016642). In fact, Cpl. Clarke copied Glenn Dudley, not Regis Dudley.

3. Paragraph 137

During testimony before the Mass Casualty Commission on June 7, 2022, Glenn Mason said that his notes on the mass casualty were based on a "data dump" of his phone that he received from Shared Services in Montreal, and the times recorded are therefore in Eastern Time. As a result, the first call he received from Michael Bennett appears to have been at approximately 11:15 a.m., not 10:15 a.m.
